Course Overview

IHRM: C00259

Strategic Workplace Conflict Management: learn conflict resolution skills & effective listening, communication & problem solving techniques. Conflict is a natural feature of human communication. Often we see conflict as negative, and it is true, conflict that is not handled well can have a devastating impact on staff morale and productivity, as well as customer-relations. However, when conflict is managed well, it can lead to increased creativity and enthusiasm amongst workers.

This course is of immense practical value to you if you work with other people, whether colleagues or customers. You will learn how to identify conflict, and understand the different types of conflict that occur at work. There is a strong focus on practical skills to resolve conflicts. You will discover what your preferred conflict management style is, and the situations where it is most suitable.
