Course Overview

In today's dynamic business environment, HR professionals must go beyond traditional personnel management and strategically harness knowledge for better decision-making, talent development, and workplace innovation. This course equips HR leaders with practical techniques to create, store, and share institutional knowledge effectively. Participants will explore knowledge management frameworks, digital tools, and strategies that enhance workplace collaboration and organizational learning.

Course Objectives

The objective of the **Knowledge Management (KM) for HR Professionals** training is to;

- Understand the role of Knowledge Management (KM) in modern HR functions.
- Develop structured KM frameworks that support workforce performance and engagement.
- Facilitate knowledge sharing to enhance organizational learning.
- Utilize digital tools to store and distribute HR knowledge efficiently.
- Build a culture of continuous improvement through strategic knowledge application.

Target Groups

This training is suitable to a wide range of professionals but will greatly benefit;

CHRP. Den PN Gathitu

Secretary General

Academy of Certified Human Resource Professionals
